

TEAM ID FORM

Participation in the **MAX**_minimum Design Competition is a required part of each student's obligation to their studio course. Additionally, **MAX**_min fills several significant NAAB requirements for Collaboration and Leadership. Studios will not be held on Friday afternoon or Monday morning to facilitate student participation.

Each student must participate in good faith as a member of their assigned team for the duration of the Student Division of the Competition. Students who fail to do so will be reported to their studio instructor. Failing to participate could potentially affect the grade a student earns in studio. Students who have a significant hardship that prevents their participation (serious illness, once-in-a-lifetime family event, &c.) should inform the Director of the School of Architecture to request an excused absence from the Competition no later than 5:00pm on Friday, August 24.

All members of each team are asked to complete this form, pledging participation for the duration of the Competition. False information provided here will be treated as a violation of academic integrity standards and will be pursued according to the policies laid out in the student handbook.

Your completed form (one per team) is due in the main CoAD office at the competition deadline, 11:00am on Monday, August 27.
